

A greener commute with e-bikes

Salary package the cost of leasing an e-bike for work purposes (travel to, from, and around work) through our partner Sparque with over 80 different types of bikes to choose from.*

- 1 Simple and hassle-free**
Easy administration with flat fee lease rates, fixed payment schedule, and no reconciliation at your end.
- 2 Customer support**
Sparque is available for support – dealing with all maintenance and product questions.
- 3 Sustainable mobility**
Just like EVs, supporting the uptake of e-bikes for your employees can contribute to reducing your carbon footprint and helping you to achieve your sustainability goals.

Sparque E-bike plan starts from as little as \$3 a day.

Including:

- A premium e-bike
- A high-quality lock
- Insurance against theft and repairs
- Service and maintenance, both labour and parts
- A light set (if the e-bike doesn't come with lights)
